Nicky Epstein's best selling guide to edgings is now

**NEW IN PAPERBACK!**

# knitting on the edge

ribs • ruffles • lace • fringes • flora • points & picots

the essential collection of 350 decorative borders

nicky epstein

"What may be surprising is the fact that a book on a specialty topic like edgings could turn out to be so useful and lush as this one. This book is so inviting and so easy to use."—Booklist.

This comprehensive guide to **350 types of decorative borders** is an indispensable reference for any knitter who has ever wondered how to finish a piece. Covering ribs, ruffles, lace, fringes, flora, points and picots, *Knitting On the Edge* encourages knitters of all levels to creatively incorporate these techniques into their work. Color photographs

accompany each of the designs, which rely upon readily available yarns and which come complete with line-by-line stitching instructions. Each chapter also contains an original garment design, including a ruffled evening bag and a lace-detailed sweater. The paperback edition also features a new index.

#### **Knitting On the Edge runs the gamut of styles and offers something for all tastes...**

- Decorative cuffs
- Feather lace ruffles
- Garter stitch weaves
- Sea scallop edges
- Sugar drops
- And much more!

#### **About Nicky Epstein**

One of today's most popular knitwear designers, Nicky Epstein has gained international recognition for her innovative work. She is the author of the bestselling Edgings series (*Knitting On the Edge*, *Knitting Over the Edge*, *Knitting Beyond the Edge*, and *Crocheting On the Edge*), and many other books. Her designs have appeared in *Vogue Knitting* and other major crafting magazines, and she lectures frequently about knitting and design. Her website is [nickyepstein.com](http://nickyepstein.com). She lives in New York City and is available for interviews.
