50 adorable designs for infants and toddlers

candi jensen

The most lovable designs from beloved crochet designer Candi Jensen's popular "Candy" series are finally together in one volume! *Candy Crochet* features fifty of the most adorable projects from *Candy Tots*, *Candy Blankies* and *Candy Babies*—snuggly hats and scarves, cozy blankets and pillows and charming dresses, cardigans and sweaters that range in skill level from easy to advanced. This beautiful collection also includes updated yarn selections, easy-to-follow instructions and beautiful full-color photographs. In addition, a useful reference section covers everything from determining gauge to making granny squares to blocking finished pieces. Crochet for babies and toddlers has never looked this good!

As a designer in the craft and needlework industries for more than twenty-five years, **Candi Jensen** has had more than 300 designs published in national magazines, including *Vogue Knitting* and *Knit Simple*. She has also appeared on numerous television programs and worked tirelessly to promote the use of knitting and crochet through and for charitable organizations. Candi resides in northern California with her husband, Tom, three cats and a neighborhood of children who are her constant inspiration.
