Creative Wire Jewelry

ARIELLA NACHSHON

For beginning and experienced jewelry crafters alike, **Creative Wire Jewelry** will have everyone crafting their own pieces in no time.

WIRE JEWELRY is among today's most exciting fashion statements, and this fully illustrated guide is a perfect introduction to the art. It covers **basic techniques for molding, joining and shaping**, and explains how to use **color and texture** to create beautiful, harmonious and striking designs.

FORTY UNIQUE PROJECTS INCLUDE:

NECKLACES of hard and soft wire, chunky stones, beads and gems

BRACELETS that are simply stranded, clustered with beads or shaped into cuffs

EARRINGS, RINGS and other **STUNNING ACCESSORIES** of mixed materials, including leather, gemstones, crystal and glass

Divided into introductory sections of instruction followed by projects, the book guides readers through several basic jewelry-making techniques using easy-to-understand steps and full-color photographs. Nachshon then takes the process one step further, providing dozens of combinations for creating beautiful pieces with true original flair!
