crochet *inspiration*

by *sasha kagan*

In *Crochet Inspiration*, celebrated designer Sasha Kagan creates a distinctive crochet reference book. A renowned colorist, Kagan brings her unique sensibility to more than 200 swatch designs —Fabric, Motifs, Grannies and Flowers—and eleven new projects. A special Heirloom chapter includes an essay and photo journey featuring the hand-crocheted family treasures that Sasha keeps by her side and looks upon as her muse. In *Crochet Inspiration*, Sasha's designs come alive for the reader, opening a world of possibility in crochet!
