crocheting on the edge

ribs & bobbles • ruffles • flora • fringes • points & scallops

the essential collection of more than 200 decorative borders

BY NICKY EPSTEIN

The ultimate edgings book

for crocheters! The first,

long-awaited crochet volume in

Nicky Epstein's fabulously successful Edgings series,

Crocheting on the Edge gives crocheters the tools they need to

add innovative embellishments to their own projects and includes

more than 200 fantastically unique swatches in six chapters:

ribs & bobbles, ruffles, flora, fringes, and points & scallops. In addition, seven

full-scale projects—including a lovely ribbed jacket, a sparkling shoulderette,

and a gorgeously versatile blanket—will inspire crocheters to reach new

creative heights. All swatches and projects feature detailed written instructions,

charts and full-color photographs.
