crochet *inspiration*

sasha kagan

Now available in paperback, *Crochet Inspiration* showcases celebrated designer and renowned colorist Sasha Kagan's unique and beautiful sensibility in more than 200 swatch designs and eleven projects. This is a must-have manual for beginning and experienced stitchers alike, highlighting a myriad of patterns, including beautiful lace, shell and cluster-stitch variations and gorgeous circular and hexagonal designs. Each chapter also includes stunning garments, such as a classic Chanel-style cropped jacket in woven mesh, a lacy shawl with leaf embellishments and a 1920s cloche cap covered in crocheted blossoms. Every project has a special individuality that transcends "here today, gone tomorrow" trends, so crocheters will enjoy them for a long time.

■ This distinctive crochet reference includes chapters on:

- Crocheted fabrics
- Motifs
- Grannies
- Flowers
- Crochet fashion and accessories
