DRAWING THE NEW ADVENTURE CARTOONS

Cool Spies, Evil Guys
and Action Heroes

Chris Hart

The adventure style is one of the hottest trends in cartoons today.

It is action cartooning at its best, full of personality, humor and cutting-edge costume design, and is featured in TV shows such as *Teen Titans* and *Kim Possible*, as well as in comic books and blockbuster animated feature films.

Drawing the New Adventure Cartoons shows readers how to create an entire cast of charismatic characters: teen heroes, secret agents, spies, crime

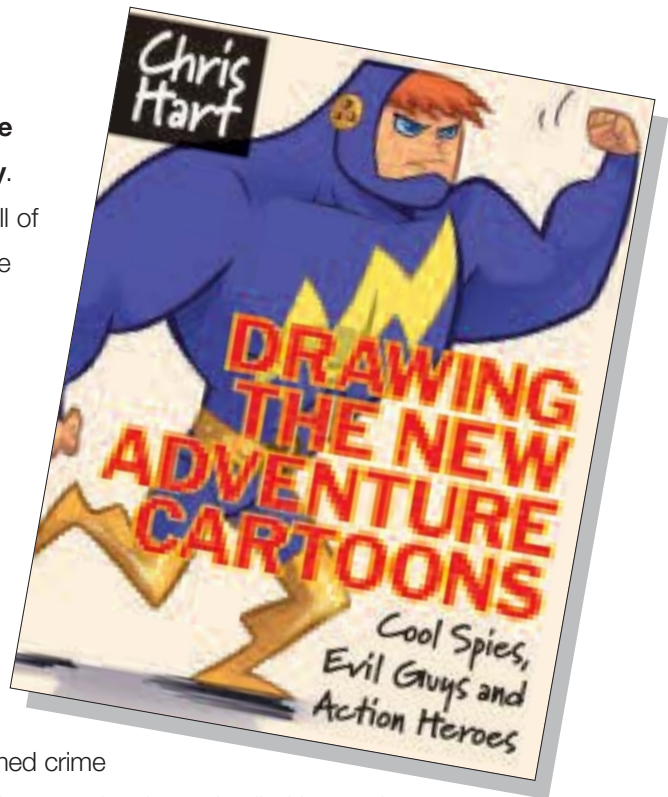

bosses, diabolical scientists, costumed crime

fighters and many more. With step-by-step drawings, detailed instruction,

helpful visual hints and hundreds of illustrations—all the features readers have

come to expect from a Chris Hart book—*Drawing the New Adventure Cartoons*

makes drawing these exciting cartoons fun and easy!
