## Vogue® Knitting Knitopedia®

### The Ultimate A to Z for Knitters

The most complete knitting reference ever, KNITOPEDIA includes:

- Hundreds of entries on knitting techniques, ethnic traditions, knitwear designers, history, fibers and more
- Lavish illustrations, including maps, photographs, technical drawings, schematics and tables
- Informative and entertaining essays written by top names in the knitting world
- Basic information on designing your own garments, substituting yarns and caring for handknitted garments
- Extensive cross-references and category indexes to help you find the information you need quickly and easily  
If you can't find it here, you won't find it anywhere!
