

VOGUE® KNITTING STITCHIONARY® 5

The Ultimate Stitch Dictionary from the Editors of Vogue® Knitting Magazine
volume five: lace knitting

The Ultimate Stitch Dictionary from the Editors of *Vogue® Knitting Magazine*

This fifth installment in the successful *Stitchionary* series is sure to be an essential reference in the library of every knitter—whether novice or experienced. Featuring clear, concise instructions, charts and gorgeous color photographs of over 150 designs, *Stitchionary 5: Lace Knitting* provides a catalog of comprehensive lace patterns from the *Vogue Knitting* archives.

The newest volume
in *Vogue Knitting's*
must-have series!

Stitchionary 5 divides the lace patterns thematically:

Easy/Mesh patterns are straightforward and perfect for first-time lace knitters.

Allover patterns range from small and simple to fairly complex and challenging.

Panels can stand alone or combine with other patterns to create stunning effects.

Edgings help knitters find the perfect finishing touch for any garment.

Motifs are an excellent starting point for a design.

Combos team up lace with cables, embroidery and more.

Chevrons add movement and visual interest with their undulating rhythms.
