# VOGUE KNITTING®

## The Ultimate Sock Book

history • technique • design

**Announcing the most definitive guide to sock knitting available today, by the editors of *Vogue Knitting* magazine.**

**Who but the editors of Vogue Knitting magazine can bring you the ultimate guide to the most knitterly of skills?** Much more than a pattern book, this volume introduces novices and experts alike to the wonderful world of sock knitting. Within these pages knitters will find a fascinating survey of the history of sock knitting; basic and advanced techniques for top-down and toe-up socks; everything they need to design their own socks: the Vogue Knitting Sock Calculator, universal patterns for toe-up and top-down socks, a Stitch Pattern Dictionary and a Sock Design Worksheet; extensive information and a handy reference table about sock yarns; and brand-new, patterns for men, women and children. The Ultimate Sock Book gives knitters of all skill levels everything they need to become practitioners of the ultimate knitterly art.

**For over a quarter of a century, the editors of Vogue Knitting have been the most trusted authorities on knitting.** In volumes such as *Vogue Knitting: The Ultimate Knitting Book* and *Vogue Knitting Quick Reference*, they have distilled their expertise for knitters of all skill levels. With this volume, they bring this same expertise to the craft of sock knitting, creating a reference work that knitters will use for many years.
