VOGUE KNITTING  
CROCHETED  
BAGS  
*on the go!*

■ A girl can never have too many handbags, and now *Vogue Knitting On the Go! Crocheted Bags* has a stylish tote to suit her every mood and whim.

With designs in both traditional and fashion-forward styles and a range of skill levels, every crocheter will find something special to make: a smart bamboo bag that serves as a great everyday carryall, a glamorous clutch for a night on the town, even a yoga bag and laptop case. So go ahead and indulge your inner fashionista—without feeling even the slightest hint of guilt.

■ Readers have come to love *Vogue Knitting On the Go!* books for their stylish designs, easy-to-follow patterns, and portability. All titles in the series boast vibrant color photos, clear instructions, and a complete reference section on tools, techniques and pattern reading. They're an essential addition to any knitter's library!
