# FELTED CROCHET

*on the go!*<sup>TM</sup>

Edited by Trisha Malcom

**Two of today's hottest fiber arts trends—crochet and felting—come together in one portable volume!**

*In On the Go! Felted Crochet*, crocheters of all skill levels will relish the opportunity to take out their hooks and yarn (and soap suds!). Felting is the process of washing fiber to make it denser and more

durable, and crocheters will love the results,

including felted bags, toys, blankets, a notebook cover, a PDA holder, and even a set of baskets. More than 25 projects are accompanied by easy-to-follow crochet instructions, including detailed steps on how to felt the pieces.
