revised and updated

**t**he bestselling guide to sewing gets a freshening up! A trusted classic since 1970, *Vogue Sewing* has remained a consistent bestseller and sewer's favorite. Now it's been fully revised and updated, with the latest information, up-to-the-minute photographs and illustrations, and an all-new introduction and page layout.

**f**rom choosing a machine to mastering couture techniques, this essential *Vogue* manual covers everything sewers need to know to make fashionable, professional-quality garments. As it teaches, it also steers readers to the right projects for their sewing level, with a plethora of photos that showcase different options for beginners and well as those more expert with a needle.

**a**t once all-inclusive and user-friendly, *Vogue Sewing* is certain to become the premier sourcebook for a whole new generation of sewers!
